THE BITS WE NEED YOU NEED TO READ CAREFULLY IT'S ALL ABOUT RESPECT!

We're experts at looking after large groups of children in a fun filled environment. However we do expect the children to have respect for all our coaches, their fellow future football stars and their surroundings. We ask all children and their parents / guardians to confirm that they will follow our code of respect during their fun week with us. Please tick here []

ALL WELCOME, BUT KEEP US INFORMED PLEASE

All children are welcome to our camps. We will look after them in a safe and secure environment with the main point always being fun! With 100 youngsters all excited and full of energy unfortunately accidents can happen which is why we take out fully comprehensive public liability insurance. To ensure we look after all children in our care properly, please can you tell us of any medical conditions and include details of medicine. For example, "*acute asthma, inhaler carried*" _____

Or, if you wish, feel free to talk to one of our coaches on registration night in strict privacy about any concerns you may have.

DROP THEM OFF, PICK THEM UP, OR LET THEM WALK.

Some children love independence and like to arrive and leave on their own so please can you confirm how your child will arrive at and leave our camps : walk on own [] walk with friends [] be dropped and collected by adult []

KIDS GROW QUICKLY, SO WHAT KIT DO WE ORDER?

Arranging two fun filled camps is a rewarding job, however we need to be prepared well in advance to ensure no problems affect your child's time with us. Please can you tell us, by age, what size kit you would like us to have ready on their first day. So that the kit lasts we suggest going up a size above what they may wear today. Age 6 [] 8 [] 10 [] 12 [] 14 [] 16 []

THE IRISH SUMMER WEATHER!

From stone splitting sunshine, to raining cats and dogs, we expect it all, but nothing will stop our camps from being fun and action packed! We must seek clarification from you that your child will arrive at our camps suitably dressed, including application of sunscreen and wet weather clothing when necessary, and that you are aware that our fully trained coaches are not permitted by law to apply any sunscreen to your child due to potential allergies etc. Please tick here to confirm []

IT'S THIRSTY WORK

Running about having fun and using up all your energy is thirsty work, so we ask you to make sure your child brings plenty of the nice healthy variety of drink (yeah, we know children like the fizzy stuff, but do your best!). Also, it's a mad four hours of fun each day, but we do take a small lunch break, so please make sure they bring a healthy packed lunch too to keep their energy levels up. Please tick here to confirm []

WE WISH IT COULD BE FREE

We appreciate times are tough for all us at the moment with regards to money. With an action packed fun week, with all the goodies of tickets to see City play, a full training kit and special posters etc, we believe our costs are fantastic value for a fabulous week of fun. We need you to confirm that you will pay the €99 in full at the relevant registration night by cash, cheque, credit or laser card. Please tick here []

PUBLICITY, WE MIGHT GET PHOTOS IN THE EVENING ECHO!

We like to arrange for photography and video footage to be taken at our camps so that we can feature all the great fun we had in our fabulous matchday programme and official website. Plus our proud partners the Evening Echo might want to carry a photo too! If you do not wish for your child to be featured please tick here []

CAN WE KEEP YOU UPDATED WITH OTHER FUN STUFF?

We would like to keep you informed of other activities that we think will be of interest to you. This can be by post, email or telephone. If you do not wish to be contacted by us or any of our chosen partners please tick here []
